- |  | True                     | False                    |
|--|--------------------------|--------------------------|
| 1. Traffic congestion results when people drive at or below the posted speed limit.  | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Planning some additional drive time for your trip will help you deal with congestion.   | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. One solution to traffic congestion is to remain very close to the car in front of you to avoid being cut off.   | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. The huge increase in total miles driven in the US vs. the minimal increase in roadways is contributing to our traffic congestion issues.              | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. Using an alternate route, that may be a few miles longer, can sometimes prevent unnecessary delays and get you to your destination in a shorter time. | <input type="checkbox"/> | <input type="checkbox"/> |
