

Safety Tips

A five minute training Series for PCOs.

Why Wear A Seatbelt?

TEN GOOD REASONS TO WEAR YOUR SEATBELT

- 1) According to the National Safety Council, 11,088 lives were saved in 1998 due to seatbelts!
- 2) According to the National Safety Council, in 1998 an additional 9,267 lives could have been saved had seatbelts been worn!
- 3) According to the National Safety Council, from 1975 to 1998 112,086 lives were saved due to the use of seatbelts.
- 4) Fred "Two Pieces" Druzy didn't and he was thrown from his truck and run over by another vehicle. Had he been wearing a seatbelt, he would be here with us today.
- 5) Bill "Say Fool" Fitzhugh didn't, got caught three times and his license was suspended. He also lost his job since he didn't have a driver's license.
- 6) Buddy "Can't Catch Me" McLoins didn't wear one, got caught by his employer and was fired.
- 7) It's the law.
- 8) Freddy "Free Fall" Johnson wasn't wearing his seatbelt, opened his door and fell out. A seatbelt could have prevented the fall. (True story, but the name was changed to protect the guilty).
- 9) It's your company's policy.
- 10) Even if you drive carefully, you may need it due to carelessness of other drivers.

You've got only one life. Why take chances.
