

PestSure Safety Tips

INSURING THE FUTURE OF PEST CONTROL

A five-minute training Series for Pest Management Professionals.

Respond to Near Misses

Name _____

Date _____

- | | True | False |
|---|--------------------------|--------------------------|
| 1) If a work-group reduces the number of near misses, they can also reduce the number of injuries. | <input type="checkbox"/> | <input type="checkbox"/> |
| 2) Reporting a near miss to your supervisor will only lead to a reprimand and embarrassment and takes up time unnecessarily. | <input type="checkbox"/> | <input type="checkbox"/> |
| 3) By reporting a near miss we can react and correct our work method or an unsafe condition before a serious injury occurs. | <input type="checkbox"/> | <input type="checkbox"/> |
| 4) An example of a near miss that we can't do anything about is having to slam on my brakes and swerve to the shoulder of the road to avoid the unskilled driver who stopped in front of me for no reason. | <input type="checkbox"/> | <input type="checkbox"/> |
| 5) If I observe a near miss on my job site, it is best to discuss the occurrence with my supervisor and/or work-group to find a solution to prevent reoccurrence. | <input type="checkbox"/> | <input type="checkbox"/> |
