| 1) "Foot to Brake, Eyes to Mirror" is a good mantra to help you avoid being hit from behind.   | <input type="checkbox"/> | <input type="checkbox"/> |
| 2) The space in front of you can provide you with an escape in the event the driver behind you is inattentive.                             | <input type="checkbox"/> | <input type="checkbox"/> |
| 3) When a driver is tailgating your vehicle, hard braking in several short applications, is an effective way to alert him to back off.     | <input type="checkbox"/> | <input type="checkbox"/> |
| 4) The best way to deal with a tailgater is to just ignore him and he will go away.  | <input type="checkbox"/> | <input type="checkbox"/> |
| 5) Maintain your speed and your space in traffic and allow a vehicle that is following too closely to move ahead and out of your vicinity. | <input type="checkbox"/> | <input type="checkbox"/> |
